

India PET Resins Market Study, 2011-2025 - Research and Markets

November 18, 2016 11:31 AM Eastern Standard Time

DUBLIN--(BUSINESS WIRE)--**Research and Markets** has announced the addition of the "[India PET Resins Market Study, 2011-2025](#)" report to their offering.

Polyethylene Terephthalate, commonly abbreviated as PET, is a clear, strong as well as light weight thermoplastic polymer belonging to the polyester family. PET can be called as a polyester when used as fibers or in fabric and other textile applications, whereas PET Resins is a term associated with the manufacturing of plastic bottles, jars, trays, containers and other packaging applications.

In India, increasing replacement of traditional packaging materials with PET resins, rising disposable income, growing urbanization and extensive industrialization are expected to drive the growth of India PET resins market during 2016 - 2025. India's beverages market stood at USD2.56 billion in 2015, and it is projected to reach USD4.48 billion by 2020, exhibiting a CAGR of 20.55%, in value terms, during 2015-2020. With booming beverages market, the demand for PET resins from the industry is also expected to grow at a robust pace during forecast period.

According to India PET Resins Market Study, 2011-2025, report studies the market size and share of various segments and sub-segments of PET Resins market in India during 2011-2025.

The market dynamics section of the report elaborates the factors that are driving the market as well as the challenges inhibiting growth. The research study also includes insights of the key market trends, a detailed analysis of the changing competitive landscape, and revenue forecasts for each segment and sub-segment.

Key Topics Covered:

1. Product Overview
2. Research Methodology
3. Executive Summary
4. India PET Resins Production Outlook
5. India PET Resins Market Outlook

5.1. Market Size & Forecast

Submitted by Compagnie Selenis Canada
5.1.1. By Value

5.2. Market Share & Forecast

5.2.1. By Application

5.2.2. By Region

5.2.3. By Company

6. India PET Resins Market Attractiveness Index

7. Pricing Analysis

8. Import-Export Dynamics

9. Competitive Analysis

10. Customer Analysis

10.1. Supplier

10.2. Procurement Price

10.3. Quantity

11. About Us
